

Raspberries with Ricotta

Submitted by Stephanie Correia

I have been making this recipe for several years. It is quick, easy, and delicious! With such a simple recipe, the quality of the ingredients is most important. I highly recommend seeking out Borba Family Farms berries www.borbafamilyfarms.com and my preferred ricotta is Bellwether Farms www.bellwetherfarms.com. Adapted from Italian Easy London River Café.

Ingredients

- 4 cups raspberries
- 1 cup soft ricotta
- 1 lemon
- 4 Tbsp superfine sugar

Preparation & Serving

- Finely grate the lemon peel and mix with the sugar. Leave for about 15 mins to allow the flavors to combine and the sugar to be absorbed.
- Scatter the raspberries on a large plate. Very carefully turn the ricotta out of the tub and slice as finely as possible. Place the ricotta slices carefully over the raspberries. Sprinkle with lemon sugar.
